Objective

I aim to work in an environment where I simultaneously, efficiently apply my various skills and continuously acquire new ones.

WORK EXPERIENCE

Consultant

Sep 2016 — Present

180 Degrees Consulting

We are working in partnership of an NGO (Arc-en-Ciel) to study one of its projects to find efficient, research based ways to implement the project in order to reach the projected goals.

Administrative Assistant

Jul 2011 — Jul 2016

AMIDEAST (Internship)

My tasks were mainly to deal with customers and introduce them to the different services AMIDEAST offers such as courses and international tests. However, my tasks also extend to coordinate the ACCESS Microscholarship Program offered by the US State Department.

Teacher Assistant

Jul 2011 — Aug 2015

AMIDEAST (Internship)

I assist the English native speaker teachers in the preparation of class in order to ensure that every students successfully passes.
